

## Restructuring of the SDFI

---

- ✓ The government proposes a restructuring corresponding to 20 per cent of the asset value of the SDFI;
  - 15 per cent proposed sold to Statoil
  - 5 per cent proposed sold to Norsk Hydro and other companies
- ✓ As part of the restructuring the government also proposes;
  - A swap between the state and Statoil;
    - The state reduces their ownership interests in Europipe II and selected fields
    - The state increases their ownership interest in Norpipe and Statpipe
  - Implementation of a state ownership interest at the crude oil terminal at Mongstad
